

**Dear Parents,**

I'm excited to introduce a fundraising program that could make a big difference for our school. It's easy to do, enrollment is absolutely free, and it could help us do some amazing things.

This is something you can do every day without any hassle. Every time you buy groceries, go to the movies or buy a cup of coffee, you could be helping us raise much-needed funds for our school.

It's called the **WaMoola for Schools**<sup>®</sup> program, and if you're already a Washington Mutual checking account customer, all you need to do is enroll at [wamoolaforschools.com](http://wamoolaforschools.com) and choose our school. Every time you use your Washington Mutual Debit MasterCard<sup>®</sup> you'll earn a point. So, the more you use it, the more you'll help. At the end of the year, the points are converted to a cash donation from Washington Mutual!\*

Our school can use the money wherever we need it most. There's also no limit to the points we can earn, so the more people we get involved, the more support we'll get.

If you need a Washington Mutual Debit MasterCard<sup>®</sup>, you can open a checking account at any Washington Mutual Financial Center. To find the one nearest you, call 1-800-788-7000 or search online at [wamu.com](http://wamu.com).

This could be a significant resource, so I hope you'll get involved. Please take advantage of this opportunity and enroll in the **WaMoola for Schools** program today.

Sincerely,

\*Schools must earn a donation of \$50 or more to receive an individual donation. Schools that earn less than \$50 will have their donations allocated to organizations supporting education. For official program rules, go to [wamoolaforschools.com](http://wamoolaforschools.com).
